Mickey Huff, professor of social science and history at Diablo Valley College, director of Project Censored & co-host of the weekly KPFA Project Censored Show, will discuss his latest book:
The United States of Distraction

Peace and Justice Center of Sonoma Co.
467 Sebastopol Ave, Santa Rosa, CA 95401

Free with donations welcome

United States of Distraction shows, in chilling detail, America’s major media dysfunction—how the gutting of the fourth estate paved the road for fascism and what tools are critical to salvage our democracy.”
